**Cultural program of Rehabilitation Training and Research Organization for specially abled held**

**CHRONICLE NEWS SERVICE**

**GUWAHATI:** Some may not have a vision, some cannot hear or speak, and some may have hands and legs immobilized, but all these specially abled people want to touch the sky and dream. They are not less than ordinary human beings, but they all have extraordinary talents. On Wednesday, the audience was impressed by the extraordinary talent of the highly talented people who participated in the event organized by NIEPMD in collaboration with Rehabilitation, Training and Research Organization, held on 22 February 2023 at the PNRD Convention and Training Centre, Majuli, Assam. Rehabilitation Training and Research Organization in association with the Indian Government, Chennai like in the past few years, they also organized a similar program by specially abled people in which various cultural programs were organized.

Ministral Chandra, Secretary of RTRO, expressed her delight at the cultural program organized by NIEPMD in collaboration with Rehabilitation Training and Research Organization, invited Special guest, Nayan Nilan, an Actor, Guest of Honour Dr. Rajesh Ramachandran (Rehabilitation Officer) NIEPMD, A. Sactivel (Faculty for Social Work), Dr. R. Manigandan (Senior Consultant -CRIO) NIEPMD, Chennai, Manjuri Barik, Joint Director, Directorate of Social Welfare Dept, Assam, Assistant Director, Social Welfare office, Poma Nazaria, Assam Sahitya Sabha, Mumbai, Smt. Saikha, Mitesh, Ashutosh, and the Director of Triplex were also present apart from a host of dignitaries. The program showcased the talents of special people and was an excellent opportunity for them to display their skills and gain confidence. Ministral Chandra praised NIEPMD and RTRO for their efforts in promoting equality and equal opportunities for people with special needs and encouraged the community to support such programs and organizations that work towards empowerment and uplifting special people. She said, "The RTRO is committed to protecting the welfare of special people and is proud to collaborate with organizations like NIEPMD in trying to bring about positive change in society" and also urged the public to support such initiatives and help build a society that provides equal opportunities for all, regardless of their abilities. More than 50 physically disabled people from Rehabilitation Training and Research Organization and several other Rehabilitation Centers showcased their talents by performing various artistic programs on Wednesday. The main objective of the cultural program organized in association with NIEPMD was to give a platform to all the specially abled people.
